UNDER THE BELL PENDANT LAMP FURNITURE / LIGHTING / ACCESSORIES

Iskos-Berlin on the design "Under The Bell is not just a lampshade. When hung over a table or in an open environment it creates its own space within the bigger space. That way, the lamp embraces and shelters the table and people beneath it - both physically and in a more abstract sense. The recycled plastic felt even absorbs sound and helps improve the acoustics of your room.

PROCESS	Large sheet of PET material is heated in a mould and pressed into its shape.
