No.1 Pendant

No.1 Pendant | Giant

No.1 Pendant | Giant XL

Metres of steam bent timber endlessly weave to envelop the light. A feat of design and a triumph of our craft, the No.1 Lighting Range is deemed iconic for a reason. Precise yet untamed. Imposing yet weightless. The No.1 Pendant was the first light we ever created, and making it remains impossible for all but a few of our team to accomplish.

Sustainably sourced ash, oak or walnut handcrafted into the most intricate of sculptural spheres. A balance of timeless grace and directional design in every twist and turn.

Bask in its aura. Reimagine what your space can be.

The No.1 Lighting Range is also available as a table light.
